

## VACUUM SOLUTIONS FOR GELATINE PRODUCTION

**Transports** gelatine powder or grains through the production area without **risk of contamination** or loss of product

- ☑ Eliminate product loss and eliminate the risk of contamination by using Delfin pneumatic conveyors. Their use can increase your company's productivity and efficiency by up to 30%.

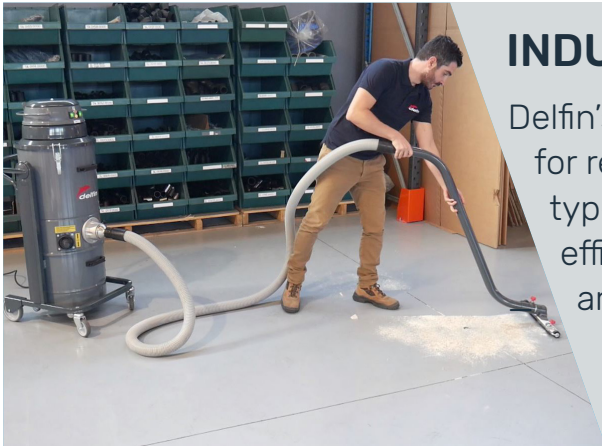

**Remove** gelatine powder residues within your production department and from machines such as dryers and grinders.

- ☑ Delfin's single-phase and three-phase industrial vacuum cleaners make it possible to carry out cleaning and maintenance processes efficiently, safely and quickly.

# DELFIN VACUUM SOLUTIONS
